4 **PROBABLE CAUSE AFFIDAVIT**

5 I, Scott Miller, Complainant, as and for probable cause, state the following:

6 1. Affiant is currently assigned as a Detective with the Las Vegas Metropolitan Police
7 Department (LVMPD) and assigned to investigate Internet Crimes Against Children Task Force
8 (ICACTF). Affiant has approximately 7 years of experience as a Detective. Affiant has received
9 training in the field of child pornography, internet crimes against children, and interview and
10 interrogation. Affiant is currently a Task Force Officer (TFO) and member of the FBI's Child
11 Exploitation Task Force. Affiant has been a TFO since 2016.

12 2. This Affidavit is made in support of a complaint charging JOSHUA RAY FISHER
13 with a violation of Title 18, United States Code, Section 2251(a), which makes it illegal to employ,
14 use, persuade, induce, entice, or coerce a minor to engage in any sexually explicit conduct for the
15 purpose of producing any visual depiction of such conduct; a violation of Title 18, United States

17 a violation of Title 18, United States Code, Section 2252A(a)(5)(b), which makes it illegal for a
18 person to possess child pornography.

19 3. The statements contained in this affidavit are based on an ongoing task force
20 investigation for which Affiant has been personally involved, and includes information obtained
21 from other law enforcement officials involved in the investigation. Because this Affidavit is being
22 submitted for the limited purpose of securing a Criminal Complaint, Affiant has not included each
23 and every fact known to Affiant concerning this investigation. Affiant has set forth only those facts
24 that Affiant believes are necessary to establish probable cause.

1 4. On or about April 27, 2016, the National Center for Missing and Exploited Children

21 1 Affiant knows that the Internet Service Provider (ISP) known as Tumblr is a free social
22 networking website that allows registered users to post multimedia content to their own
23 customizable blogs. Many Tumblr blogs feature humor, fashion, design and art. Each Tumblr blog
24 is referred to as a tumblelog. Members can post text, images, videos, links and audio files to their
tumblelogs. They can personalize their tumblelogs with different themes, which are largely free but
can be professionally designed for a price. The blogging site features a dashboard interface for
accessing most of the website's features. Members can follow one another, "like" content with the

13 9. On October 26, 2016, IS Lisa Rowe served an Administrative Subpoena on Clark
14 County School District for the address of 10432 Burkehaven Avenue, Las Vegas, NV 89166. Clark
15 County School District responded with the address of 10432 Burkehaven Avenue, Las Vegas, NV
16 89166, resolving to currently no students enrolled with this address.

17 10. On October 26, 2016, IS Lisa Rowe served an Administrative Subpoena on NV
18 Energy for the address of 10432 Burkehaven Avenue, Las Vegas, NV 89166. NV Energy responded
19 with the address of 10432 Burkehaven Avenue, Las Vegas, NV 89166, resolving to male "J-1".

20 11. A routine records check on male "J-1" identifies same as male "J-1," with a valid
21 Nevada driver's license, and an address of 10432 Burkehaven Avenue, Las Vegas, NV 89166.

22 12. Affiant knows, based on training and experience, that people trading, receiving,
23 distributing, or possessing files involving the sexual exploitation of children often communicate with
24 others through correspondence or other documents (digital or written) which can identify the origin

1 of the images, as well as provide evidence of other persons with an interest in child sexual
2 exploitation. A common way this is done is through email and private messages. Also, Affiant
3 knows that it is not uncommon for persons collecting child sexual exploitation to store the files
4 someplace other than their computer, such as cloud storage, for ease of sharing or possibly to avoid
5 detection. Affiant knows that *Tumblr* reported a user from an IP address that returned to
6 “J-1’s” residence of 10432 Burkehaven Avenue, Las Vegas, NV 89166, had uploaded child
7 pornography. Affiant believed a search of the premises located at 10432 Burkehaven Avenue, Las
8 Vegas, NV 89166, would reveal additional evidence of ownership, the whereabouts of said user, and
9 identities of persons which said user has been trading child pornography and additional images
10 and/or videos of child pornography. Affiant believed that the files described above would currently
11 or have recently been on suspect’s computer and/or the files were transmitted using the internet
12 connection via wireless router believed to be at 10432 Burkehaven Avenue, Las Vegas, NV 89166.

13 13. On November 21, 2016 at approximately 10:00 a.m., ICACTF having in its
14 possession a search warrant with the undersigned as affiant and signed by Clark County, Nevada
15 Justice Court Judge Suzan Baucum on November 16, 2016, for the property located at 10432
16 Burkehaven Avenue, Las Vegas, NV 89166, executed said warrant at said location without incident
17 by LVMPD SWAT officers. Subjects “J-1”, male “E”, female “J,” and their minor child exited
18 residence without incident. LVMPD SWAT officers then made entry and conducted a safety sweep
19 of the residence. No other occupants were located inside residence. JOSHUA RAY FISHER
20 approached the residence on foot, stating to law enforcement that he worked out of the residence
21 where the search warrant was being executed. During the search of the residence, JOSHUA RAY
22 FISHER, who was inside of the residence, was observed to have a Samsung S7 Galaxy Edge Cell
23 Phone (IMEI: 355503070417229). Due to fact that the cellular phone could contain evidence of
24 child exploitation and that a user could delete data from the cellular phone if the phone were to

1 remain in his possession, Affiant asked JOSHUA RAY FISHER for his cell phone. JOSHUA RAY
2 FISHER gave Affiant the phone. Affiant took the cellular phone from JOSHUA RAY FISHER in
3 order to preserve any / all evidence that could be located within the electronic device. JOSHUA
4 RAY FISHER confirmed to Affiant that the cell phone belonged to him.

5 14. On November 21, 2016, male "J-1," was interviewed at his residence of 10432
6 Burkehaven Avenue, Las Vegas, NV 89166. Below is a brief summary of the interview and should
7 not be considered to be verbatim: "J-1" was read his *Miranda* Rights and waived his rights in order
8 to speak with Affiant. "J-1" stated that he lives with his wife at the residence, but did not provide his

3 18. "J-1" denied ever viewing child pornography and stated he has never touched a child in a sexual
4 manner. "J-1" then stated that he has a long-time friend, identified as "E.S." "J-1" stated that "E.S."
5 just got out of prison for armed robbery and is on parole. "J-1" stated that "E.S." lived with him
6 from February 2016 until about a month ago when he kicked him out due to "E.S." using drugs.
7 "J-1" did not have any contact information for "E.S." and does not know where he is living. He
8 stated that he was trying to help him out and even tried to have him work some on his business.
9 "J-1" stated that he gave "E.S." a laptop and a phone and that "E.S." still has said items or may have
10 sold them for drugs. "J-1" stated that on one occasion "E.S." showed him a sexual video that showed
11 a teenager involved in a sex act and thinks that "E.S." must have been looking at child pornography,
12 but wasn't sure. "J-1" stated that "E.S." has an email address of mcwarson@gmail.com, which is
13 just a made up name for said email address.

14 15. On November 21, 2016, JOSHUA RAY FISHER, was interviewed at "J-1's"
15 residence of 10432 Burkehaven Avenue, Las Vegas, NV 89166. Below is a brief summary of the
16 interview and should not be considered to be verbatim: JOSHUA RAY FISHER was read his

20 corresponding password to the device. JOSHUA RAY FISHER stated that he runs a business with
21 "J-1" out of the residence. JOSHUA RAY FISHER stated that "E.S." did live with "J-1" for a few
22 months, but was kicked out about a month ago. JOSHUA RAY FISHER identified "E.S.'s" middle
23 name as "Justin," and his email address as ejsanchez85@yahoo.com. JOSHUA RAY FISHER
24 denied ever viewing any child pornography. Affiant asked JOSHUA RAY FISHER for his cell

1 phone. JOSHUA RAY FISHER gave Affiant the phone. JOSHUA RAY FISHER provided no
2 other details.

3 16. On November 21, 2016, forensic previews were conducted on scene by LVMPD
4 Forensic Examiner Matt Trafford, P#14286 and LVMPD Detective V. Ramirez, P# 4916, and
5 evidence of child pornography was located. A full forensic examination will be completed on seized
6 items taken during said search warrant at 10432 Burkehaven, Las Vegas, NV 89166. All items will
7 require a full forensic examination to be completed, to obtain further evidence of child exploitation.
8 ICACTF seized numerous computer towers, laptops, hard drives, thumb drives, and cell phones
9 from the residence. The residence was left to the care of "J-1" at the conclusion of search warrant
10 execution. Copies of the search warrant, sealing order, and return were left at the place of search,
11 inside the residence.

12 17. On November 23, 2016, Affiant obtained a search warrant for Item 53, JOSHUA
13 RAY FISHER's cell phone, a Samsung S7 Galaxy Edge Cell Phone, IMEI: 355503070417229. The
14 search warrant was signed by Clark County, Nevada Justice Court Judge Diana Sullivan.

15 18. A routine records check on JOSHUA RAY FISHER identifies same as JOSHUA
16 RAY FISHER, with a valid Nevada driver's license, and an address of 6609 Miragrande Drive, Las
17 Vegas, NV 89108.

18 19. In February of 2017, Forensic Examiner Matt Trafford, P# 14286, was working on the
19 forensic examination of items seized during execution of a search warrant on this case served on
20 November 21, 2016 at the address of 10432 Burkehaven Ave., Las Vegas, NV 89166. Trafford
21 stated that he was examining Item 53, a Samsung S7 Galaxy Edge Cell Phone, IMEI:
22 355503070417229, which was the cell phone recovered from JOSHUA RAY FISHER. Trafford
23 stated that he believed he may have found a live victim as the device contained numerous
24 images/videos of a female juvenile (VICTIM-1). Trafford stated that the images/videos are of

VICTIM-1 nude, clothed, and in various stages of undress. Trafford stated that some of the images show VICTIM-1 nude "Skyping" with an adult male, and that a thumbnail image of said male can be seen in images. The adult male in the images was identified as JOSHUA RAY FISHER. Trafford also located an image of an Orbitz screenshot. The screenshot showed a flight itinerary leaving December 4, 2016 at 6:40 a.m. from Las Vegas, Nevada on American Airlines via Phoenix to Liberty International Airport in Newark, New Jersey, arriving 4:24 p.m. The return flight was on December 7, 2016 at 2:00 p.m. from Liberty International Airport to Las Vegas aboard United Airlines, arriving 4:44 p.m. Trafford showed Affiant that the above noted device contained several images of child pornography and numerous images/videos of child exploitation/age difficult. In addition, Trafford showed Affiant numerous images of other unknown female juveniles, who may be other live victims as the images appear to be "selfies" taken and sent to JOSHUA RAY FISHER. There were also several screen shot images of chat messages between VICTIM-1 and JOSHUA RAY FISHER. It should also be noted that images of an additional 14 year old juvenile female, later identified through investigation as VICTIM-2 and "J-1" in bed together³, were also recovered from this device which had been sent to JOSHUA RAY FISHER from "J-1."

20. Upon reviewing these images/videos, Affiant learned the following information: VICTIM-1 appears to have taken numerous nude images of herself, exposing her vagina, buttocks, and breasts in various sexual positions. VICTIM-1 also took images of her touching her vagina and breasts with her fingers and those images appear to have been sent to JOSHUA RAY FISHER. VICTIM-1 also took an image of her leg, where she wrote the words "I [heart] Ray," and sent said image to JOSHUA RAY FISHER. VICTIM-1 appears to be between the ages of 12 and 15, and has

³ The investigation further revealed that "J-1" had in fact traveled on two occasions, August 24-28, 2016 and November 2-6, 2016, to Oklahoma City, OK, and on each occasion had sex with the female juvenile in the images, VICTIM-2, in a hotel room.

1 a diminutive stature, lack of fatty deposits, and a cherubic face. Upon reviewing a series of chat
2 messages, Affiant learned the following information: On unknown date, using the KIK⁴ app,
3 JOSHUA RAY FISHER sent VICTIM-1 an image of his erect penis. Just prior to this image being
4 sent, VICTIM-1 states "we have a break then we start another season," and JOSHUA RAY FISHER
5 states "Damn, that'll be a while...And damn that took me forever... 44 minutes jfc."

6 21. Law enforcement has identified VICTIM-1 as a 13 year old female who resides in
7 New Jersey. VICTIM-1 was interviewed by Affiant with Child Adolescent Forensic Interviewer
8 (CAFI) Jodie Hively on March 21, 2017. The interview confirmed that VICTIM-1 had been
9 communicating with JOSHUA RAY FISHER and sending JOSHUA RAY FISHER images/videos
10 of herself at his request. In summary, VICTIM-1 stated that an individual she knew as "Ray"
11 (identified through photos as JOSHUA RAY FISHER) would ask her to do things such as change
12 clothes, shower, send nude photos, and touch her breasts. VICTIM-1 stated that "Ray" (JOSHUA
13 RAY FISHER) would ask her to video Skype and to change clothes, shower nude, touch herself, or
14 just be naked on camera for him. VICTIM-1 stated that sometimes while video skyping nude, "Ray"
15 (JOSHUA RAY FISHER) would take screenshots and tell her, but he never said what he did with
16 the screenshots. VICTIM-1 is currently in the eighth grade. The investigation revealed that the
17 communications between JOSHUA RAY FISHER began approximately when VICTIM-1 was 11
18 years old.

19 22. On March 24, 2017, VICTIM-1's mother advised Affiant that she had spoken to her
20 daughter on March 22, 2017, the day after the interview. She asked her daughter if "Ray" (JOSHUA
21 RAY FISHER) had advised her what to do when the day came that their relationship was exposed
22 and VICTIM-1 said, "yes." VICTIM-1 told her mother that "Ray" (JOSHUA RAY FISHER) told
23

1 her not to talk to law enforcement or her parents, and that he would take care of everything.
2 VICTIM-1's mother stated to Affiant that this conversation between VICTIM-1 and "Ray"
3 (JOSHUA RAY FISHER) took place sometime just prior to her daughter being interviewed.

4 23. In February of 2017, Forensic Examiner Matt Trafford advised Affiant that he
5 examined Item 1, a Storm Trooper Computer Tower, s/n: 5GC5000KKN11125100048, which was
6 recovered from room I-BB, loft pursuant to the search warrant executed on November 21, 2016, at
7 the address of 10432 Burkehaven Ave., Las Vegas, NV 89166. Trafford stated this item belongs to
8 "J-1" and contains numerous chat messages between "J-1" and JOSHUA RAY FISHER. Trafford
